4. This memorandum includes the names of 41 people in the DD/I area eligible for optional retirement through 1961. It does not include those eligible in 1960 who were asked or permitted to remain beyond 1961. Of the 41 mentioned, only 4 have availed themselves of the services of this office and only one or two of those remaining beyond 1961 have been counseled relative to their retirement planning. Agencywise, there seems to be little doubt that this is a worthwhile positive approach to the problem of retirement and if there is any way in which I can be of help in promoting greater participation in the program or providing assistance, please let me know.

PROPOSED EXCEPTION FROM VOLUNTARY RETIREMENT PROGRAM:

Suggested by [redacted] Wage Board employees, principally in Office of Logistics

At least one point in support of exception is that those people are in a different type of work and that we don't have the problem of creating headroom for promotions.
